Wild Cats of North America: A Slide Presentation

by

Susan Morse of Keeping Track®

Monday, November 21, 2016

6:00 - 7:30 pm

Fracestown Elementary School
325 2nd NH Hampshire Turnpike S
Fracestown, NH 03043

Join Susan Morse of Keeping Track® for lots of fun and fascinating information about the secret lives of North American wild felids - including bobcats, Canada lynx, cougar, jaguar and ocelot. Sue has spent nearly 40 years studying & filming these elusive animals and her extraordinary photos and interesting stories are both entertaining and enlightening.

This program is open to the public and families are welcome. For more information contact Martine Villalard-Bohnsack at mwillbohns@comcast.net.

Program is free, yet donations are always welcome

A non Profit Program Not a ConVal School System sponsored event
