

Fracestown Conservation Commission
Conservation Plan / NRI Subcommittee

Minutes

6/22/11

Meeting came to order at 5:30, lower level meeting room at the town office building. Betsy Hardwick, Pete Throop, Ben Haubrich, Linda Kunhardt present.

Hardwick opened by providing general information on the proposed project, followed with more details by Pete Throop from Monadnock Conservancy. Pete will be working to assist the development of the conservation plan as part of the Monadnock Community Conservation Partnership Program. All members of this committee are appointed by the conservation commission, and currently consist of B. Hardwick, B. Wicklow, B. Haubrich, and L. Kunhardt, to be led by Pete Throop as approved by the Con Com.

Items discussed:

Communication strategy; F-town News articles, newsletters, speaking at meetings.

Volunteers needed for: ground-proofing maps, survey work, newsletters/articles

Make volunteering fun: hikes, quests, activities

Survey questions: copy of 2002 survey, talk to Planning Board, what do we want for future, threats, rank/rate conservation values

What do we want our plan to look like; Pete will send samples

For next meeting: assemble existing data, brainstorm ideas for getting information out/community support, list of potential volunteers.

Will tentatively plan to meet the third Wednesday of every month, 5:30 to 6:30.

Adjourned at 6:50
