

**Fracestown Conservation Commission
Conservation Plan Subcommittee Meeting**

June 5, 2013

Lower level meeting room at the town offices

Meeting came to order at 6:00 PM, those present included Pete Throop, Barry Wicklow, Linda Kunhardt, Ben Haubrich, Betsy Hardwick

Pete announced that he would be leaving the Monadnock Conservancy to take a position as planner for the Town of Peterborough but said he would continue to work with the subcommittee until the project is completed. He was thanked for agreeing to stay with us.

Pete has been working on data for the NRI portion of the plan but it is taking longer than he anticipated so the complete plan is not ready as hoped for. He presented some of the text of the NRI portion of the plan for review and comment; a few ideas and suggested changes were discussed. He will send a draft to Barry for his input when he has it ready.

Pete also provided a draft of the text of the conservation plan itself, a few comments and suggestions about the format and content were made. After some discussion it was decided that Pete will forward the draft to Betsy for modifications. After her changes are made it will be sent to all for review.

Next meeting tentatively scheduled for July 17 at 6:00

Adjourned at 7:10
